To support the Church’s belief in family education, we offer Loyola Press’ Growing with God Family Life to all students. This program is required for both Religious Education and our Catholic School Programs. The focus of the program is to assure that our children are being properly educated with the Catechesis of Human Sexuality based on the Church’s teachings. It is also a part of our ongoing effort to help create and maintain a safe environment for children and protect all children from sexual abuse, in the context of Catholic moral teaching about family life and healthy sexuality. If you determine that your child/children should or should not participate in the program, please make a check mark next to your choice.

\_\_\_\_\_ Our Lady of Mt. Carmel/St. Anthony Shrine **has my permission** to present the Catechesis for Human Sexuality, including Child Protection Education to my child/children.
